2017 Opportunity Finance Network Conference
Washington, DC

Session Proposals Due Date: May 12, 2017

In September, more than 1,000 CDFIs and their partners will gather in Washington, DC at the 33rd annual OFN Conference to learn, network, do business, and think critically about the issues that are shaping the CDFI industry today. Attendees at the largest industry event will include CDFIs of all types, sizes, and stages of development; all the major CDFI investors and funders; government officials; consultants; researchers; and students. OFN will offer more than 50 breakout sessions cutting across many different subject areas of importance to CDFIs.

OFN is seeking session proposals from a diverse and inclusive group of organizations and presenters that offer a wide range of perspectives. Specifically, we encourage small CDFIs, rural CDFIs, and regulated CDFIs to consider submitting proposals.

We can accept no more than three proposals from each organization. If your organization has more session ideas, please confer with your colleagues to select your top three for submission.

If you have questions about your session idea, feel free to contact Donna Fabiani at dfabiani@ofn.org or 202-250-5519.

Suggestions for Developing a Strong Proposal

OFN receives more than twice as many session proposals as we can accept. To increase your chances of being selected, we strongly suggest that you:

- Consider a format other than a panel or training. Alternative formats include:
  - Interview – a knowledgeable interviewer asks probing questions of one or more subject matter experts
  - Meet the Expert – a highly qualified subject matter expert is available to respond to attendees’ questions
  - Roundtable – a facilitator guides an open conversation on a particular topic
  - Speed Dating - attendees have the opportunity to move around to different tables for short, focused discussions on a variety of issues within a broader topic area

- Share practical, actionable information that helps participants do their jobs better and makes their CDFIs stronger.
- Go in-depth rather than staying broad: sessions that skim the surface usually receive lower ratings from attendees.
- Consider the racial and ethnic diversity of your team of presenters. OFN is seeking a diverse and inclusive group of presenters.
- Include presenters from two or more organizations and consider the organizational diversity of your team (size of organizations, geographic markets served, specific communities served, institution types, etc.)
- Talk to your presenters and get their commitment to participate before you submit the proposal.

OFN works hard to select a mix of strong session proposals that offers value to a range of audiences and levels of experience. We do our best to accommodate as many strong proposals as we can. Sometimes we do this by asking people who propose similar topics to combine their ideas into a single session.

Please remember to confer with your colleagues and submit no more than three proposals per organization.

Sample Session Description

Below is a sample session descriptions that you can model your description on.

Sales with a Mission Twist: Tips on Reaching Your Goals
Presenters: Vicky Stein, Community Reinvestment Fund, USA; Roberto Valdez-Beltran, Accion NM, AZ, CO; Leslie Hoffman, LEH Consulting Group; Barbara Eckblad, Barbara Eckblad Consulting Group, LLC; and Galen Gondolfi, Justine Petersen

As the national economy recovers and market demand grows, CDFIs focused on microenterprise and small business lending are challenged to respond to that demand with strong and effective mission-driven sales strategies. This practitioner-led, speed-dating style session brings together veteran CDFI professionals who have led successful initiatives for growing mission through the sales effort. These industry experts have built scaled lending programs, expanding volume and geographic
footprint without sacrificing portfolio performance. They bring a wealth of knowledge from their own small business backgrounds that informs and shapes their approach to growing mission through a thoughtful and integrated sales approach. Participants will have a chance to interact with and learn through small group coaching sessions on the following topics: 1) How to build relationships that generate repeat mission-driven sales; 2) Key qualities mission-focused rainmakers; 3) How to engage your operations team to support lending goals; 4) How to build a disciplined culture of follow-up to enhance sales and mission; and 5) The devil is in the (paperwork) detail motivating loan officers to manage and improve the loan closing process.
