NEXT Awards Program

Overview

The **Wells Fargo NEXT Awards for Opportunity Finance** in partnership with Prudential, The John D. and Catherine T. MacArthur Foundation, and The Kresge Foundation have celebrated innovation by the nation's most promising CDFIs by awarding more than \$70 million through a competitive awards process over the last nine years (2007–2015).

The NEXT Awards for 2012–2016 recognizes the NEXT generation of CDFIs expanding CDFI coverage in underserved communities. In a challenging, post-recession economic environment, there is a growing need for CDFI products and services in financially underserved markets across all 50 states. The NEXT Awards support CDFIs that demonstrate promising new strategies to expand coverage in low-income, low-wealth, and other disadvantaged communities. For 2012–2016, the NEXT Awards will provide a programmatic annual theme addressing the overall goal of expanding CDFI coverage.

2016 NEXT Awards for Consumer Financial Services

With 57% of Americans struggling with financial health, and a growing number of households turning to high-cost alternative financial products and services, CDFIs are needed more than ever to expand their role and provide this market with affordable and responsible products. With 2016 financial support from Wells Fargo and Prudential, the 2016 NEXT Awards will continue a second year devoted to **consumer financial services** to build the critical momentum and visibility for CDFIs in this space.

Consumer financial services includes loan products—small-dollar personal loans, credit building loans, auto loans, mortgage loans, and other loans for individual consumers—as well as other financial services such as savings products, debit and checking products, and financial education.

Examples of potential strategies for NEXT Awards applicants could include (but are not limited to):

- New products or new product innovations
- Geographic expansion
- Product scaling
- Product and program replication
- Compliance and risk management
- Back-office infrastructure development
- Marketing and distribution innovations
- Integration of financial education or financial counseling
- Use of technology (e.g., software, online platforms, mobile phone applications)

In 2016, the NEXT Awards will collaborate with the Center for Financial Services Innovation to support the 2016 program and promote the theme of consumer financial services.

Award Types

There are two Wells Fargo NEXT Awards categories in 2016:

- NEXT Opportunity Award
- NEXT Seed Capital Award

The NEXT Opportunity Award

The NEXT Opportunity Award will provide up to \$7 million in aggregate to a maximum of four CDFIs that present the most compelling applications supporting their plans to expand CDFI coverage through innovative consumer finance strategies. Prospective award applicants should demonstrate high capacity, strong financial performance, and a high level of readiness to implement their strategy within 6 months of receiving an award. CDFI applicants must have at least \$5 million in assets and can apply for award amounts up to 10% of their total assets.

The NEXT Seed Capital Award

The NEXT Seed Capital Award will provide a \$100,000 grant to one CDFI to support the development of a compelling consumer financial services strategy to expand coverage in underserved communities.

For the Seed Capital Award, applicants might be in various stages of development of their strategies and should demonstrate the benefit of a grant to help develop or expand a promising idea to expand coverage within 12 months. There is no minimum asset size for applicants.

Award	Award Structure	Strategy Focus	Who Can Apply
NEXT Opportunity Award	<p>\$7.05 million for up to 4 CDFIs</p> <p>\$6 million is debt¹, \$1.05 million is unrestricted grant funds</p> <p>The debt will carry a 3% interest rate and a ten-year term with amortizing payments beginning in year seven.</p> <p>Grant portion equals 17.5% of debt²</p> <p>Total award can be up to 10% of total assets</p>	<p>Any range of consumer financial products or services</p> <p>Strategy must include a financing component</p>	<p>CDFIs with assets greater than \$5 million</p> <p>CDFIs with a strategy that is ready to implement within 6 months of receiving award</p>
NEXT Seed Capital Award	<p>\$100,000 unrestricted grant</p>	<p>Any range of consumer financial products or services</p> <p>Strategy does <i>not</i> have to include a financing component</p>	<p>CDFIs of any asset size</p> <p>CDFIs with a strategy that is ready to implement within 12 months of receiving award</p>

¹ For **loan funds**, the debt component of the NEXT Opportunity Award will be structured as a senior unsecured loan to the CDFI applicant. Subordinated debt or loans to affiliates or subsidiaries of the borrower will not be an option. The CDFI may use the proceeds of the loan to finance a subsidiary or affiliate of the borrower; however, the primary NEXT borrower will be responsible for payment of interest and principal. Please be explicit in your response if the loan proceeds will flow to a subsidiary or affiliate of the borrower.

For **credit unions**, the debt component of the NEXT Awards can be structured as senior unsecured debt, deposits, and/or secondary capital. Applicants may not apply for more than \$2 million in secondary capital. Credit unions applying for secondary capital are required to have an equity to total assets ratio greater than 5%.

For **banks**, the debt component of the NEXT Awards can be structured as senior unsecured debt or deposits.

² For example, for a \$2,350,000 total award, \$2,000,000 is debt and \$350,000 is an unrestricted grant.

Award Benefits

The NEXT Awards provide multiple ways to support the Awardees' expansion strategies. Awardee benefits include:

- Monetary Awards as specified above for the NEXT Opportunity Award and NEXT Seed Capital Award.
- Visibility campaign to increase recognition for and support of Awardees' expansion strategies which includes:
 - A press release to announce the Awardees

Borrower must participate in publicity events and education exchanges as requested by OFN and its NEXT Awards partners in order to promote learning about and within the Opportunity Finance industry.

IMPORTANT NOTES:

Note about applicants:

- CDFIs do not need to be a Member of OFN to apply for the NEXT Awards.

The NEXT Awards selection process will incorporate Aeris ratings, if available. Applicants do not have to be Aeris-rated to apply.

CONFIDENTIALITY: Opportunity Finance Network will to the best of its ability, ensure the confidentiality of all application materials.
